Sponsorship Incentive

We are offering a Sponsorship Incentive that can reduce the volunteer hours for your family while still maintaining active status. However, because we truly do need volunteers and we feel that working together is important, we would like families to commit to working a minimum of 4 hours per year even if they take advantage of this incentive. Our Sponsorship Incentive Program is as follows:

- If you recruited an annual sponsor last year, you have priority in recruiting them for this year.
- Please let the sponsorship chair know who you will be contacting this year. This helps avoid multiple people contacting the same business.
- Credit will not be given until payment has been received for the sponsorship.
- After December 1, letters will be sent out to businesses not contacted.
- There is no limit as to the number of companies you can recruit.
- Incentive Hours:
 - Diamond Sponsor: \$1000 20 hours credit
 - Platinum Sponsor: \$500 14 hours credit
 - Gold Sponsor: \$300 7 hours credit
 - Silver Sponsor: \$200 4 hours credit
 - Bronze Sponsor: \$100 3 hours credit
 - Event Sponsor: 1 hours credit

Here is a list of annual sponsors for the 09-10 season:
